

We are excited to be offering another Instructor Training Seminar (ITS) for a new group of trainees from **April 22-26, 2020** here in Santa Fe, New Mexico  
We are pleased to say that we will be joined by Advanced Instructor Rosa Rodriguez and Associate Advanced Instructor Melinda Doden as co-teachers.

### **About the ITS**

We understand the ITS as an opportunity to help trainees

- get clear about standard Phase 4 material and get comfortable teaching it.
- learn about the different lineages in the O-B community
- learn group dynamics from the inside out
- develop interactive feedback skills, which truly support the trainees' and students' learning.

We feel passionate about

- supporting trainees' experience of the difference between an authority-based model and an autonomy-based one.
- supporting trainees in finding their own inner strength in relationship to demos and teaching and
- supporting trainees to embody the integration between form/technique and principles.
